Deep Tissue Massage For Two

€ 160

60 mins

Deep tissue massage is a massage technique that's mainly used to treat musculoskeletal issues, such as strains and sports injuries. It involves applying sustained pressure using slow, deep strokes to target the inner layers of your muscles and connective tissues. This massage can be delivered in 90, 60 and 30 minutes. The 90-minute service is an extended massage aimed to give extra attention to areas of particular concern. The 30-minute service is personalised to target specific areas of concern. The 60 minute experience can also be shared with your favorite person in our couple massage cellar spa.

Foot Reflexology

€ 45

30 mins

Foot reflexology is a therapeutic technique based on the stimulation of the reflex zones on the feet. These reflex zones correspond to different parts of the body so by massaging them indirectly or reflexively, the organs, muscles or other parts of the body receive a healing stimulus.
