Our Henna service can be done on either hands or feet and typically takes between 20 to 30 minutes per hand/foot depending on how intricate the design is. All-natural henna is derived from the henna plant and results in temporary yet stunning results, perfect for festivals, parties or any special occasions. The beautiful, semi-permanent design typically lasts between one to three weeks depending on your skin type. Price for hand/foot varies between €30 to €60 each and will be quoted on consultation prior to start of treatment.

Notes: We recommend that you let the henna fade off naturally and avoid water for a minimum of 6 to 12 hours, use soap only after 24 hours.
