

SKIN ELEMENTS FACIALS WITH HERBELIA

The Innovative Herbelia facial innovates on the skin-friendly lipidomics with a high concentration of active ingredients. These ingredients, together with the patented Handology machine free system, our therapists deliver a customised experience for sensational results from the first treatment.

Restoring & Rebalancing Active Facial Programme

Unveil radiant and rejuvenated skin with our premium facial package, for the irresistible combined price of €350 (instead of €420). Consists of six 60-minute facial sessions targeted, expertly selected based on your skin's unique needs, leaving you with visibly revitalised skin. The journey starts with a deep cleansing facial, followed with 5 facials from the Herbelia range.

T&C. Programme must be utilised within 6 months from first session to maximise its benefits. Convenient payment plan with four easy installments. Cannot be used in conjunction with any other offer or loyalty scheme.

6 x 60 minutes | €350

Skin Elements – Brightening

The skin friendly lipid uses a pulling oil to make way for the pure and highly concentrated Land Serum. This serum activates arbutin and vitamin C to lighten hyperpigmentation and prevent the further formation of dark spots.

60 minutes | €70

Skin Elements – Anti Ageing

The skin friendly lipid uses a pulling oil to make way for the pure and highly concentrated Air Serum. This serum activates the high antioxidant power of vitamin E, niacinamide & superoxide dismutase enzymes to prevent skin aging.

60 minutes | €70

Skin Elements – Sensitivity & Redness

The skin friendly lipid uses a pulling oil to make way for the pure and highly concentrated Fire Serum. This serum activates the properties of aloe, glycyrrhetic acid and bisabolol to soothe and reduce the redness of sensitive skins.

60 minutes | €70

Skin Elements – Hydrating

The skin friendly lipid uses a pulling oil to make way for the pure and highly concentrated Water Serum. This serum activates the properties of low molecular weight hyaluronic acid to penetrate deeply and plump the tissue.

60 minutes | €70
